

Music & Memory Leader

Even “too cool” kids love music, so you’ll use music to help kids grow spiritually! Plus, some weeks you’ll help kids learn and understand key Bible verses. You’re helping kids hide God’s Word in their hearts!

To enjoy your role and be wildly successful as a Music & Memory leader, it helps if you

- love God,
- enjoy music and children,
- can give clear directions to children,
- believe children should understand and celebrate God’s Word,
- understand that “making a joyful noise” is more important than extracting a perfect performance from children,
- are accepting and supportive of children’s abilities, and
- model God’s love in everything you say and do.

Responsibilities

As a Music & Memory leader, you’ll be responsible for

- attending scheduled leader training,
- reinforcing the weekly Bible Point as you lead,
- learning the music and motions for six to eight songs each quarter,
- leading singing for weekly meetings,
- assisting the Friends director as needed, and
- praying for the children and volunteers you serve.

Related Interests

You’ll enjoy leading Music & Memory if you enjoy any of the following activities:

- playing a musical instrument,
- directing or singing in your church choir,
- leading worship,
- creative Scripture memory, or
- acting or drama.

Check out the quarterly *Sing-Along Songs From FaithWeaver DVD!* You can use the DVD to help lead your children in singing with motions each week (1-800-447-1070).
