

# Who's Who in the Circle of Friends?

During your first few weeks together each quarter, have your kids choose Circle of Friends jobs and place job stickers (from each child's quarterly Elementary Stickers sheet) on their name badges. Each child will have one of the jobs listed in the chart below.

- If your Circle has *fewer* than five kids, some kids may have more than one job.
- If your Circle has *more* than five kids, let kids share jobs.
- If kids can't agree on who should perform each job, tell them that everyone can take turns doing all the jobs. Simply rotate the jobs. All children in the Circle have all the different job stickers. But give each child a specific Role Key each quarter.

Kids love having special jobs! Encourage them to fulfill their roles well, and give them chances to do so.

Each Circle of Friends will need a tote in which to carry its faith journals, a pair of safety scissors, pens, pencils, and markers. Plastic grocery bags work well.
